TRADE NOTICE NO: 3/2026 DATED 20.03.2026

**EXEMPT PORT PERMIT CHARGES FOR CARGO-CARRYING GREEN COMMERCIAL VEHICLES ENTERING KPL.**

KPL is pleased to inform that Port Permit Charges are exempted for cargo-carrying green commercial vehicles entering KPL through the RFID- and ANPR-based Gate Control System for a period of one (1) year from the date of implementation. This initiative is being introduced in accordance with the Harit Sagar – Green Port Guidelines issued by the Ministry of Ports, Shipping and Waterways, Government of India.

This incentive is part of KPL's Smart Port initiatives and is intended to encourage the adoption of environmentally sustainable vehicles, thereby supporting the reduction of carbon emissions, enhancing air quality and advancing KPL's sustainability objectives.

The following criteria are adopted to identify eligible cargo-carrying green vehicles for exemption from Port Permit Charges:

1. Registration Certificate:

(a). The vehicle shall be duly registered with the competent Transport Authority, and the fuel type in the Registration Certificate must be indicated as Electric / Battery Operated Vehicle (BOV)/Compressed Natural Gas (CNG)/Hydrogen Gas.

(b). Vehicle category: The vehicle shall be registered as a commercial Vehicle.

2. Number plate Identification: The vehicle shall bear a green number plate/Light Blue sticker for CNG as prescribed by the Ministry of Road Transport & Highways for green vehicles, which may be used as a visual check at port gates, subject to RC verification.

3. Verification Authority: Verification of eligibility shall be carried out by Traffic Division before approval of Port permit passes through online Pass issuance system.

4. Exclusion Clause: Hybrid vehicles or vehicles using any fossil fuel in combination with electric power are not eligible.
